

SONGS: GUITAR: INTERMEDIATE ACOUSTIC

This course for the intermediate Acoustic Guitar player teaches you the song 'Rocky Mountain High,' focusing on embellished chords and licks.

COURSE	LESSON	TEACHER	DESCRIPTION
Songs: Drop D Tuning	Rocky Mountain High: Embellished Chords and Licks	Susan Mazer	Rocky Mountain High was considered a major piece of 1970s pop culture, and became a well-known piece of Colorado history. In recent years, the song has gained status as an unofficial anthem of Colorado. Support has actually come along for the present state song to be replaced by Rocky Mountain High. Thirty years later, the song is being performed at pro-sports games in Denver, and used in advertisements for Colorado-made products. Even a ski resort near Aspen named a run Rocky Mountain High in honor of John Denver. This is a prime example of how music can have a major influence on society.
